3. Establishment of a contract

- 3.1 A contract is established with Tradin at the moment that Tradin confirms in writing its acceptance of an assignment or order. The scope and content of the contract are as they are stated in Tradin's written confirmation.
- 3.2 Any agreement/contract exceeding a contract value of € 100.000,- is only validly concluded if signed by a member of the management of Tradin whose authority to sign and bind Tradin is registered with the Chamber of Commerce in Amsterdam. Any agreement/contract not exceeding a contract value of € 100.000,- can only validly be concluded by an officer of Tradin whose authority to sign and bind Tradin is registered with the Chamber of Commerce in Amsterdam.

4. Samples and analysis

- 4.1 If a sample has been provided by Tradin to the Counterparty, the Counterparty is entitled to reject the sample provided by Tradin without stating a reason as long the Counterparty informs Tradin of its rejection in writing no later than the 1st working day following the day on which the Counterparty received the sample. In the absence of this, the sample is deemed approved. Upon timely rejection, the sales contract is dissolved without any obligation to pay damages.

4.2 Any analysis results provided by Tradin and carried out by an external independent competent laboratory shall be binding upon the Counterparty and any subsequent buyers.

5. Requirements and warranties

5.1 Tradin does not guarantee that the goods are suitable for any intended use or otherwise, unless it has been explicitly agreed in writing that the goods must be suitable for the described intended use. The Counterparty shall then be obliged to indicate explicitly in writing what use is intended with the goods.

5.2 Before delivery of the goods the Counterparty shall inform Tradin in writing about all the (statutory) regulations and all the (other) requirements which will apply in relation to the goods in view of the purpose, the location and the circumstances.

5.3 Tradin need only ensure that the goods comply with the requirements that have been agreed in writing between the parties.

5.4 Tradin shall not be obliged to give any further guarantees than those that have explicitly been agreed in writing as such between the parties.

6. Security

6.1 Tradin can require the Counterparty to provide security or additional security for payment at any time during the course of the contract. If the Counterparty does not honour a reasonable request for the same, Tradin is entitled to suspend the performance of its obligations until the Counterparty has provided the required security.

7. Third parties

7.1 Tradin may involve third parties in the execution of the contract. The expenses involved will on a fair and reasonable basis be invoiced to the Counterparty.

8. Order of fulfilment of contracts

8.1 If several contracts for the same product have been concluded between the Counterparty and Tradin on identical terms of shipment or delivery, such contracts must be fulfilled in the order in which they have been concluded and with due observance of the agreed time of shipment or delivery, unless explicitly agreed otherwise in writing.

9. Presentation of documentation

9.1 Tradin will present the documents to the Counterparty as soon as possible.

9.2 If Tradin can prove that the documents were presented to him or reached him too late due to the negligence of the post office, the bank, or through (other) circumstances beyond his control and that it has immediately taken all necessary steps to take possession of the documents and to provide them to the Counterparty, it cannot be held liable for expenses and/or damages, however stated and however incurred due to delayed presentation of the documents.

9.3 The Counterparty is not entitled to object to variations of minor significance in despatch, markings and numbers of packages, or in details about the means of transport, as long as the consignment upon arrival can be recognized as that intended to be delivered in the consignment concerned.

10. Risk

10.1 All risks with respect to the goods are borne by the Counterparty: in case of goods sold from stock, from the moment these are separate for the benefit of the Counterparty and in the case of other goods, from the moment these goods are loaded for their carriage, except if and to the extent otherwise agreed in writing.

11. Shipment, delivery and period of delivery

11.1 Tradin is entitled to deliver in instalments, which instalments can be invoiced separately.

11.2 Tradin will try to honour the term of delivery as far as possible, yet will never be liable for exceeding it.

11.3 Exceeding the term of delivery does not give the Counterparty any right to cancel or withdraw from the contract, nor to refuse to accept any goods. In case of delivery on equal spread, any delay in delivery of any part of the goods does not give the Counterparty any right to cancel or withdraw from the contract, nor to refuse to accept any goods. In case of excessive overrun of the term of delivery, the parties will consult with one another.

11.4 If Tradin has undertaken responsibility for forwarding the goods from the place of unloading, the Counterparty must give Tradin timely instructions regarding carriage and destination. If upon arrival of the goods Tradin has received no forwarding instructions from the Counterparty, Tradin shall despatch the goods to the Counterparty's address by whatever means of carriage it may think the most suitable for the purpose.

11.5 The Counterparty must take delivery of the goods immediately after it has been notified by Tradin that the goods are ready for delivery. If the Counterparty fails to take timely delivery of the goods, Tradin is entitled to claim all damage and/or costs arising therefrom, including but not limited to storage costs, financing costs and costs for loss of quality of the goods.

11.6 If goods are not unloaded in the intended place of unloading as a result of any circumstance for which Tradin is not accountable, Tradin shall be entitled to charge the extra freightage incidental to such unloading elsewhere.

12. Force majeure

12.1 If Tradin is prevented by force majeure from fulfilling any commitment and the conditions of force majeure are in Tradin's opinion of a temporary or passing nature, Tradin is then entitled to delay performance of its commitments until the situation, reason, or event occasioning force majeure no longer exists.

- 12.2 If the situation of force majeure continues for longer than 30 calendar days, Tradin and the Counterparty each have the right to terminate the contract.
- 12.3 If after a situation of force majeure as described in this Article the conditions are changed in such a way that Tradin cannot reasonably be required to fulfil its commitments under the contract, Tradin has the right to dissolve the contract.

- 12.5 The summary given in Article 12.4 is not limitative.
- 12.6 If as a consequence of a situation of force majeure Tradin is prevented from fulfilling his obligations to one or more of his customers or counterparties, but not his obligations to all of his customers or Counterparties, Tradin is entitled to select which of the obligations and for which customers and Counterparties he will fulfil, as well as the order in which this shall be done.
- 12.7 Tradin has the right to claim payment for everything done by or on behalf of Tradin to fulfil the contract with the Counterparty before the force majeure event occurred.
- 12.8 Should the fulfilment of the contract under increased costs be possible and the Counterparty so wishes, the additional costs will be borne by the Counterparty.

13. Right of retention / pledge

- 13.1 Tradin has a right of pledge and a right of retention with regard to anyone who demands the handing over thereof in respect of all goods, documents and monies which by or on behalf of the Counterparty and with whatever destination are in the possession of Tradin, as long as the Counterparty has not performed all its obligations towards Tradin, in respect of all current and future claims which Tradin has or might have on the Counterparty.
- 13.2 Tradin can also exercise the rights granted to him in Paragraph 1 with regard to the amounts the Counterparty still owes him in connection with preceding assignments.
- 13.3 In the event of failure to pay the claim the sale of the collateral will be effected in the manner stipulated by law or – if there is agreement in this respect – privately.

14. Liability

- 14.1 Any liability of Tradin, whether under contract or in tort, is limited to the obligation to perform in conformity with the agreement or, at Tradin's choice, refunding at most the amount agreed for the relevant performance or the performance with which the loss-causing event is connected. In any event, Tradin's liability is limited to the amount of SDR 100,000.

- 14.2 The Counterparty shall hold harmless and indemnify Tradin against any and all claims that third parties should acquire or allege against Tradin and that arise directly or indirectly from or are related to the agreement, unless and to the extent that the Counterparty proves that the damage and/or loss was caused as a result of an act or omission on the part of the board of directors of Tradin, done either with the intent to cause that damage and/or loss or recklessly and with the knowledge that such damage and/or loss would probably result therefrom.
- 14.3 Tradin shall never be liable for costs for destruction of goods, consequential loss, trading loss and/or immaterial loss of any nature whatsoever, which shall include loss owing to business interruption, loss of profits, loss of income or loss of use of the Counterparty.
- 14.4 Tradin shall not be liable for any damage, either directly or indirectly caused by any of its auxiliary persons, agents or representatives.
- 14.5 With respect to products Tradin obtained from a third party, the terms applicable to such a contract shall also apply to the Counterparty if and to the extent that Tradin invokes them. In such a situation, Tradin shall send the terms of such a contract to the Counterparty as soon as it is entered into.

15. Claims / complaints

- 15.1 If the Counterparty is of the opinion that Tradin has failed in the performance of its obligations under the contract, he must inform Tradin thereof in writing, substantiated with reasons, within 72 hours after delivery of the goods. The Counterparty must send proof to Tradin which demonstrates the alleged shortcomings.
- 15.2 If Tradin deems any complaint well-founded, it has the right, at its election, to perform in conformity with the agreement or to refund at most the amount agreed for the relevant performance, whereby the Counterparty is held to return the goods to Tradin.
- 15.3 Complaints concerning invoices must be submitted to Tradin in writing within eight days of the date of the invoice.
- 15.4 If a complaint is not lodged within the term set forth in this Article, or is not lodged in the prescribed manner, the delivered goods will be deemed to have been completely and irrevocably accepted and approved by the Counterparty as fulfilling the agreement. An invoice that is not contested in the prescribed manner and within the term set forth shall be deemed to be irrevocably accepted and approved by the Counterparty.
- 15.5 A complaint shall never relieve the Counterparty of its commitments with respect to Tradin.
- 15.6 Returning the delivered goods, or a portion thereof, for any reason, may be done only with Tradin's express prior written permission and delivery instructions.
- 15.7 All claims against Tradin must be submitted to the competent court within twelve (12) months after the Counterparty has become or reasonably should have become aware of the damage and/or the shortcoming, failing which any right to damages shall be expired.

16. Reservation of ownership

- 16.1 The goods delivered remain the property of Tradin until the moment of payment in full of all sums owed by the Counterparty under the terms of the contract.
- 16.2 In respect of deliveries of goods destined for Germany, both the obligations and the property law consequences relating to the reservation of ownership as stipulated in Article 16.1 are governed by German law. In respect of such deliveries, the "extended retention of title" as set out in the "Germany-clause" attached to these Conditions applies.

17. Prices and payment

- 17.1 Unless otherwise stated in writing, all prices are in accordance with Incoterms 2010 and exclusive of VAT.
- 17.2 Unless otherwise agreed in writing, payment must be made by the Counterparty, even in the event that the goods have been lost or damaged during transit, upon first presentation against surrender of a complete set of documents.
- 17.3 If payment on arrival has been agreed upon, payment must be made immediately when the means of carriage arrives at the place of destination. In the event of arrival on a day other than a working day, payment must be made on the first working day after arrival of the means of carriage at the place of destination.
- 17.4 If the means of carriage has been lost or has suffered delay through whatever event, payment must be made on the first working day after the day on which according to the latest reported news the means of carriage would have arrived at the place of destination.
- 17.5 The Counterparty is in no case entitled to any discount and/or set-off and/or suspension of any of its obligations.

18. Documentary credit

- 18.1 If the parties have agreed that payment shall be made by means of documentary credit, the Counterparty shall ensure that the documentary credit will be available to Tradin at such a time that Tradin is able to fulfil his contractual obligations. In the event that the Counterparty should fail to fulfil the above obligation, it shall be in default of the fulfilment of its obligations, without any reminder, summons or notice of default being required.

19. Negligence, interest and expenses

- 19.1 The Counterparty shall be in default simply by virtue of his failure to make payment or to fulfil some other obligation within its specified term, without additional warning, summons, or proof of default being required.
- 19.2 If a payment due to Tradin is not made in a timely manner, the Counterparty will automatically owe Tradin interest pursuant to Article 6:119a Dutch Civil Code starting on the date on which the term for payment has lapsed, without prejudice to Tradin's other rights.

19.3 The Counterparty shall bear all legal and non-legal expenses, including Tradin's expenses for legal aid and advice.

GERMANY CLAUSE

Verlängerter Eigentumsvorbehalt

- (1) Tradin behält sich das Eigentum an den Liefergegenständen bis zum Eingang aller Zahlungen aus dem Liefervertrag vor. Verarbeitung oder Umpackung erfolgt stets für Tradin als Hersteller, jedoch ohne Verpflichtung für Tradin. Wird der Liefergegenstand mit anderen, Tradin nicht gehörenden Gegenständen verarbeitet, so erwirbt Tradin das Miteigentum an der neuen Sache im Verhältnis des Wertes der Kaufsache zu den anderen verarbeiteten Gegenständen zur Zeit der Verarbeitung. Erlischt das (Mit-) Eigentum Tradin's durch Verbindung, so wird bereits jetzt vereinbart, dass das (Mit-) Eigentum Tradin's an der einheitlichen Sache wertanteilmäßig (Rechnungswert) auf Tradin übergeht. Der Käufer verwahrt das (Mit-)Eigentum Tradin's unentgeltlich. Ware, an der Tradin (Mit-)Eigentum zusteht, wird im Folgenden als Vorbehaltsware bezeichnet.
- (2) Der Käufer ist berechtigt, die Vorbehaltsware im ordnungsgemäßen Geschäftsverkehr zu verarbeiten oder zu veräußern, solange er nicht in Verzug ist. Verpfändungen oder Sicherungsübereignungen sind unzulässig. Die aus dem Weiterverkauf oder einem sonstigen Rechtsgrund (Versicherung, unerlaubter Handlung) bezüglich der Vorbehaltsware entstehenden Forderungen tritt der Käufer bereits jetzt sicherungshalber in vollem Umfang an Tradin ab. Tradin ermächtigt ihn widerruflich, die an Tradin abgetretenen Forderungen für dessen Rechnung im eigenen Namen einzuziehen. Diese Einzugsermächtigung kann nur widerrufen werden, wenn der Käufer seinen Zahlungsverpflichtungen nicht ordnungsgemäß nachkommt.
- (3) Bei Zugriffen Dritter auf die Vorbehaltsware wird der Käufer auf das Eigentum Tradin's hingewiesen und Tradin unverzüglich benachrichtigt.
- (4) Bei vertragswidrigem Verhalten des Käufers – insbesondere Zahlungsverzug – ist Tradin berechtigt, die Vorbehaltsware zurückzunehmen oder ggf. Abtretung der Herausgabeansprüche des Käufers gegen Dritte zu verlangen. In der Zurücknahme sowie in der Pfändung der Vorbehaltsware durch Tradin liegt kein Rücktritt vom Vertrag.
- (5) Tradin verpflichtet sich, die ihr zustehenden Sicherheiten auf Verlangen des Käufers insoweit freizugeben, als der Wert der Sicherheit die zu sichernden Forderungen um 20% übersteigt. Für die Bewertung des Sicherungsgutes ist, auch soweit es be- oder verarbeitet worden ist, der Gestehungspreis maßgebend. Die Bewertung abgetretener Forderungen erfolgt zu deren Nennwert
