

### ABOUT US:

World's leading supplier of organic ingredients

Promoting regenerative and resilient organic farming systems

Driving sustainable and market-driven development at the source

### HOW WE WORK:

- Establish long-term relationships with producers, customers, and employees
- Build and assist equitable supply chains with high organic integrity
- Establish innovative technical assistance and development programs through strategic partnerships
- Provide affordable financing options to stimulate growth of high potential organic enterprises

### OUR IMPACT AT ORIGIN:

- Stable access to premium market for an increasing number of smallholder farmers, focus on youth and women
- Increased organic yields per ha
- Sustainable and regenerative agricultural practices adopted
- Reduction of environmental footprint
- Access to adequate financial services required for growth
- New jobs created, with a special focus on women and youth
- New knowledge embedded in local structures

Our activities contribute to the [UN Sustainable Development Goals](#):

**SDG 1:** No Poverty

**SDG 8:** Decent Work and Economic Growth

**SDG 9:** Industry, Innovation, Infrastructure

**SDG 10:** Reduced Inequalities

**SDG 12:** Responsible Consumption and Production

**SDG 13:** Climate Action

**SDG 15:** Life on Land

**SDG 17:** Partnerships for the Goals
